PAYMENT METHOD. Pukka accepts either checks made out to Pukka, Inc., or payments via Visa, MasterCard, American Express or Discover Credit Cards. Returned checks will be subject to a $25.00 service charge.

CANCELLATIONS/RETURNS. No order cancellations will be accepted unless approved by an authorized agent of Pukka after being received in written form. Orders entered into production cannot be canceled. No returns will be accepted for fabric and/or thread shading which may vary between different lots and from order to order.

COPYRIGHT AND LICENSED LOGOS. Pukka will not accept copyrighted graphics or reproduce national brand logo trademarks without written consent from the brands licensing department. Pukka will not assume liability for copyright infringement for agreeing to reproduce a customer's order.

DISCLAIMER

Color shade variations are inherent with any fabric during the dyeing process and we cannot guarantee color shades will match previous shipments. Prolonged exposure to light or moisture may cause fading or discoloration and is not a defect in the cap. Slight imperfections in pigment-dyed and garment-washed caps are a natural feature of these cap styles.

Orders received between January 1 and April 30 may be subject to longer lead times.

PERFORMANCE

LIGHTWEIGHT

Feels like you are wearing nothing at all. Lightweight fabrics not only increase performance, but outperform other more traditional cap styles.

BREATHABILITY

Allows an increased amount of air to flow throughout the fabrics surface, rapidly releasing moisture away from the body.

MOISTURE WICKING

Transfers moisture away from your head to the outside of the cap where it will evaporate quickly and keep you dry.
